

## Invitation to Business Round Table

Dear ladies and gentlemen,

Germany forms the logistics heart of Europe and this makes it the quickest route to distribute goods around the continent and beyond. So the country provides excellent distribution facilities for Korean companies too and we would like to present them to you at the Korea Railways & Logistics Fair in Busan.

The Logistics Council Germany GmbH (LCG) is a Federal Government initiative to bolster Germany's role as a logistics base. Acting on behalf of the German Transport Ministry Department Head, Norbert Tiedemann, the LCG would therefore like to extend a warm invitation for you to attend an
